

CYBERFOREST SHIELD™

LICENSE & SERVICE AGREEMENT

This Agreement is entered into between:

Licensors:

Legal Tech Counsellor by Inna Kragh
("Licensor", "CyberForest Shield™")

and

Licensee:

[Partner / Client legal name]
("Licensee")

1. Purpose of the Agreement

The purpose of this Agreement is to grant the Licensee a **limited, non-exclusive, non-transferable right** to use the CyberForest Shield™ service for the protection of proprietary digital content on approved domains.

CyberForest Shield™ is provided as a **Security-as-a-Service**, not as a software sale.

2. Scope of License

2.1. The Licensee is granted a limited license to use CyberForest Shield™ solely for:

protection of proprietary website content,

detection of abnormal access patterns,

non-intrusive monitoring as described in the Security Appendix.

2.2. The license is:

domain-based,

time-limited (subscription-based),

revocable in accordance with this Agreement.

2.3. No ownership rights are transferred.

3. No Transfer of Source Code

3.1. CyberForest Shield™ is delivered via:

embed-based access,

API and/or service endpoints controlled by Licensor.

3.2. The Licensee **does not receive**:

source code,
binaries,
configuration files,
internal logic or algorithms.

All intellectual property remains exclusively with the Licensor.

4. Intellectual Property

4.1. All rights, title, and interest in:

CyberForest Shield™,
architecture,
documentation,
monitoring systems,
detection logic,
trademarks and branding
remain the exclusive property of the Licensor.

4.2. This Agreement does not grant any right to copy, reverse engineer, sublicense, or resell the service unless explicitly agreed in writing.

5. Operational Boundaries (Sacred Zones)

5.1. CyberForest Shield™ **does not execute** on:

payment and checkout flows,
invoicing and VAT systems,
accounting platforms,
OAuth and authentication callbacks,
partner APIs.

5.2. The Licensee acknowledges that the service is designed to be **non-intrusive and accounting-safe**.

6. Data & Privacy

6.1. CyberForest Shield™ does not process personal data of end users.

6.2. The service processes only technical security events necessary for service operation.

6.3. No profiling or behavioral tracking of individuals is performed.

7. Availability & Updates

7.1. The Licensor may update the service from time to time to improve security, stability, or compliance.

7.2. Updates do not require action from the Licensee and do not alter the scope of access granted.

8. Monitoring & Alerts (If Applicable)

8.1. Depending on the selected service tier, monitoring and alerting features may be provided.

8.2. Monitoring is limited to service health and security-related events.

9. Limitation of Liability

9.1. CyberForest Shield™ is provided “as is” as a protective service layer.

9.2. The Licensor is not responsible for:

third-party platform failures,

hosting provider issues,

external attacks beyond reasonable control.

10. Termination

10.1. Either party may terminate this Agreement with written notice in accordance with the subscription terms.

10.2. Upon termination:

access to the service is revoked,

no further use is permitted.

11. Governing Law

This Agreement shall be governed by and construed in accordance with the laws of **Denmark / EU law**.

12. Final Provisions

12.1. This Agreement constitutes the entire agreement between the parties regarding the subject matter.

12.2. Amendments must be made in writing.
