4. (SHORT FORM)

Annual Maintenance & Service Agreement (Excerpt)

The Client subscribes to CyberForest Shield™ for a period of twelve (12) months.

The Provider undertakes to:

- maintain service availability,
- ensure updates and improvements,
- provide monitoring and alerts according to the selected tier.

The Client acknowledges that:

- the service is provided as a managed protection layer,
- no source code is transferred,
- access is limited to the agreed domains.
