1. Data We Process

Minimal business-related data only:

Email address

Subscription status

Audit access logs

Payment confirmation (via Stripe)

We do not collect sensitive personal data.

2. Purpose

Data is used strictly for:

- Secure customer authentication
- Portal session delivery
- Compliance audit logging

- Service communication

3. Stripe Payments

- Payments are handled by Stripe.
- We do not store card information.
- Stripe acts as independent processor.

4. Cookies & Tracking

Only essential cookies are used for:

- Authentication
- Session security

No advertising profiling.

5. Retention

Audit logs may be retained for compliance evidence purposes.

Users may request deletion unless retention is legally required.

6. Your Rights

Under GDPR you may request:

- Access
- Correction
- Deletion
- Restriction
- Data portability
