

Healthy skin made easier

COMING SOON:

Personalized treatment plans for skin conditions by app or online

Dealing with a rash, acne, eczema or another skin issue? Start an online skin review with a dermatologist by uploading images and details of your concern. Get a treatment plan and prescription if needed in 24 hours or less.

Please note

Teladoc Health Dermatology service uses images only. Communication with the dermatologist takes place through the message center.

Here's how it will work:

- 1 Upload images of your skin condition with a detailed description.
- 2 A dermatologist will review and provide a custom treatment plan in 24 hours or less with a prescription if needed.
- 3 Ask follow-up questions through the secure message center at no charge for up to 7 days.

More information coming soon
