More about Wellbeing Rates

You can reduce your medical premiums by participating in our wellbeing program.

Save \$50/month (\$600/year) on individual coverage or \$75/month (\$900/year) for Associate + Spouse or Family coverage.

Here's how it works:

Associates (and participating spouse) must complete 3 out of 7 items on the premium incentive checklist on Personify Health by November 30, 2026.

New hires or newly eligible associates (from January 1 to February 28) and covered spouses will automatically receive wellbeing credits for the current benefit plan year, while those who are newly eligible and enroll between March 1 and December 31 will also receive credits for the following plan year.
