

# PIVOT TO REMOTE HOW TO...

Please ensure students have their **student email address** and **password** for a *Citywide Pivot to Remote*. Students must use all learning applications via TeachHub!

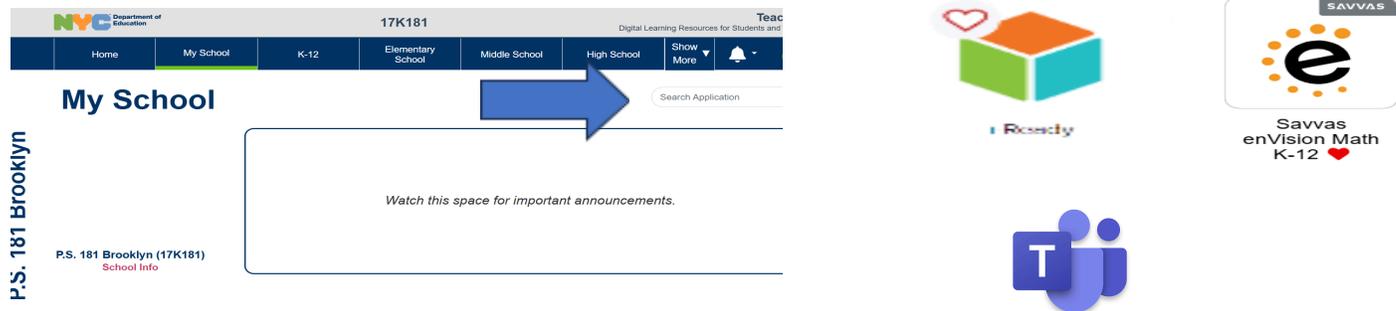

## Step 1: Google: TeachHub

## Step 2: Click TeachHub and you will be prompted to enter student email address and password

## Step 2: Search Application

## Step 3: Type in Teams or i-Ready or any of the designated apps

**Note:** All students are required to log in to **MICROSOFT TEAMS** to meet their teacher in the Morning. Look for the app on student iPads or log on your personal device using the students email and password through TeachHub.
