MR. ELLIS

Vision

We believe that greatness live here. Our vision is to effectively prepare students for the future by aligning their academic and social-emotional experiences with real-world demands.

Mission

To inspire life-long learning by providing high standards of teaching, promoting citizenship, and supporting social emotional growth through collaboration within our school community.

TEACHERS

ELA: Mr. Forbes & Ms. Plock

MATH: Ms. M.Zephyr & Ms. Plock

SCIENCE: Mr. Lazzarino & Ms. Plock

SOCIAL STUDIES:

Mr. Lazzarino & Ms. Plock

PHYSICAL EDUCATION:

Mr. Stuart & Mr. George

I-READY: Mr. Diaz

ENL: Ms. Lora

PARAPROFESSIONALS:

Ms. Mirand & Mr. King

SCIENCE

Students will complete a unit on ecosystems and begin a unit on weather and climate. Students will complete the second growth cycle in the hydroponic lab.

SOCIAL STUDIES

Students will complete a unit on the Ancient Greek Civilization and begin a unit on the Roman Empire. Students will continue project based learning for each unit.

ELA

Students are diving into HMH unit 6: Surviving the unthinkable. They will be exploring multimedia texts and exploring the essential question: What does it take to be a survivor?

PHYSICAL EDUCATION

Students will be learning the fundamentals of Volleyball.

MATH

Students visualize data using dot plots and histograms, before calculating measures of center and measures of variability.
