

The Problem

Due to staff training and major, exciting changes to school lunch programs, DPS closed kitchens for 4 weeks, leaving **16,800 children without access to meals.**

The Solution

echo teens decided to help their peers by launching two ventures to **fill the gap by serving 3,000+ meals** for Durham youth and families.

4,500+

On-site at the 8 events + deliveries to community groups, neighborhoods, and fridges.

"The collaboration between echo and Inter-Faith Food Shuttle is a testament to the power of community and innovation. We are incredibly proud of the positive impact this initiative and the inspiring next generation of changemakers and social innovators have made. Together, we are making a difference, one meal at a time."

-Inter-Faith Food Shuttle Team Member

"A truly humbling and inspiring experience. It was hard but I learned so much about our community, and it was inspiring to see everyone come together."

- Ana P

"Patience. Persistence. Communication." CJ W.

"The biggest setback I faced was recruiting volunteers for the farmer's market. The keys to overcoming this setback were patience and persistence." - Kate M.

"One valuable lesson I learned during this experience is how many people in our community need food and resources." - Leila L.

"This opportunity provided me with a new perspective on the importance of community collaboration and the challenges that come with seeking support." - Madison P.
