MEET THE CHEF

ERIN ACKERMAN

For nearly four years, Chef Erin has been the creative heartbeat of our kitchen—infusing every dish with her signature blend of warmth, imagination, and heart. As Executive Chef, she believes great food has the power to connect people, spark conversation, and turn an ordinary day into something worth remembering.

Her joy comes from watching guests light up with that first bite—the moment when flavor meets feeling. Forever curious, Chef Erin is known to be experimenting long after service ends, always chasing new ideas that keep our menus fresh and inspiring. Her playful spirit and relentless pursuit of excellence lift the entire team and remind us daily why we love what we do: creating food that brings people together.
