About Marmore

Marmore MENA Intelligence is a fully-owned research subsidiary of Kuwait Financial Center 'Markaz'. Since 2006, Markaz Research has been at the forefront in disseminating thought-provoking, hard-data backed research reports. Marmore continues that legacy with a focused approach to providing actionable solutions for business leaders and policymakers.

Since its inception, Marmore has published over 700 research reports and covered more than 25 varied industries and infrastructure segments; all focused primarily on the GCC economies. (To view our Research Library, please ***click here***)

With over 30 policy and regulatory research studies published, Marmore has partnered with renowned regional think-tanks and opinion-leaders to publish some of these intellectually provoking policy research papers. These research studies aim to initiate dialogue and propose better solutions to existing economic conundrums. (To view our Policy & Regulatory research report, ***click here***)

Marmore provides research-based consulting solutions to help understand current market conditions, identify growth opportunities, assess supply/demand dynamics, and make informed business decisions.

Almost on a weekly basis, Marmore publishes thematic economic, industry, policy and capital market reports. Marmore has been recently conferred "Research Provider of the Year - 2018" award by Global Investor, a Euromoney Group company. To learn more, visit ***www.marmoremena.com***

Case 2:

Problem: A leading Kuwaiti Bank, set up its economic research desk, for which it needed support for creating very insightful reports in the Economic domain.

Solution: Once the topic was finalized and approved by the client Marmore prepared a very insightful report in the committed timeline.

Impact: The report was very well received by stakeholders. Marmore's effort in the creation of the first report resulted in subsequent report awards by the client. Marmore got into a long term agreement with the client to provide research support on a continuous basis.
