MAHARASHTRA **THE GROWTH STORY**

Think **Big**- Think **Maharashtra** stands as a powerhouse of India's economic engine - commanding the highest contribution to the national GDP, housing India's financial capital & serving as a magnet for investment, innovation & industry. With a robust infrastructure backbone, a thriving startup ecosystem & policy-friendly governance, the state continues to lead India's journey toward a \$5 trillion economy. From Mumbai's global financial pulse to Pune's tech and auto excellence, Nagpur's logistics pivot & Aurangabad's growing industrial base—Maharashtra's growth story is one of resilience, reinvention & relentless ambition. Key sectors such as fintech, agritech, clean energy, pharmaceuticals, manufacturing & media continue to flourish under dynamic public-private partnerships. The state's proactive push towards digital transformation, green economy initiatives & ease-of-doing-business reforms further cements its position as a frontrunner in India's development landscape.

Maharashtra is not just growing **it is shaping the future.**

Against this background, TEFLA's one of India's distinctive players within the gambit of Conferences, Exhibitions & Awards catering to niche industry segments through an array of focused initiatives is happy to announce **Think Big - Think Maharashtra**, a landmark platform dedicated to celebrating leadership, enterprise & excellence across the state.

IndiaNXT

Investment Network (ININ)

IndiaNXT Investment Network (ININ) is a national-level strategic advisory, facilitation & investment promotion platform established to accelerate high-impact investments across India's key economic sectors including manufacturing, infrastructure, logistics, fintech, renewable energy, digital economy, tourism, urban development & knowledge industries.

IndiaNXT Investment Network (ININ) core mandate is to position India as a leading global investment destination by identifying scalable, future-ready opportunities, enabling progressive policy engagement & cultivating investor confidence through sustained dialogue with international & domestic stakeholders.

In collaboration with central & state governments, global business leaders, institutional partners & trade bodies, (ININ) will design actionable investment frameworks, convene sector-specific leadership forums such as **Think Big-Think Maharashtra** & spearhead global outreach through trade missions, investor summits, thematic showcases & strategic investment reports aligned with India's long-term development vision.

ININ also functions as a unified interface to streamline investment-related facilitation, ensuring seamless coordination & resolution support across various stakeholders for timely decision-making & effective implementation.

As India's proactive investment promotion arm, ININ will lead high-level trade delegations to key global markets to pitch India's compelling investment potential, attract foreign direct investment & forge transformative international partnerships. A notable initiative includes the upcoming IndiaNXT Investment Network Delegation to Geneva on 30th & 31st October 2025, which will coincide with the **World Commodity Forum** a platform where India's economic strengths & sectoral opportunities will be spotlighted to a distinguished global audience. **This will be an ideal opportunity for delegation from Maharashtra to present Maharashtra's compelling investment opportunities to global investors & industry leaders.**
