Embark on a year of growth and self-improvement

Ready to take on new challenges and enhance skills? The GoodHabitZ Newsjacking Calendar offers engaging, high-quality learning content to help you grow in exciting new areas every month. Explore a variety of assessments, courses, lessons, and activities, providing learning opportunities for everyone in your organisation.

How to use the Newsjacking Calendar:

1. Monthly themes:

Each month features a unique theme with a 6-step learning path, including activities ranging from a few minutes to 60 minutes.

Complete all steps to master the topic, or choose individual activities for quick sessions. Click on the activities to open them on our platform.

2. Explore more:

If a month's theme doesn't resonate, don't worry. Each month also includes multiple events and diverse learning opportunities tailored to different interests, industries and learning goals. These dates are all matched to GoodHabitZ' learning content. The circles around each date indicate the type of content: pink for assessments, purple for courses, and yellow for lessons. All combinations are possible.

Enjoy learning!
