

Welcome To Beautiful Camano Island

Camano Island offers visitors a coastal community atmosphere - without the ferry! Known as “The Easy Island”, Camano’s accessibility and laid back vibe make it the perfect place for a weekend getaway or a longer vacation.

Camano Island is the fifth largest in population of the inhabited islands of the Puget Sound and has a robust, independently owned business community and a vibrant art scene. Surrounded by beautiful mountain ranges, Camano is located in the “rain shadow”, receiving significantly less rainfall than surrounding areas.

We encourage you to take your time and explore the natural beauty and wonder of this place we call home.
