

PERSIMMON

Our drinks program features a thoughtfully curated wine list anchored in California's premier vineyards, with standout selections from Oregon and Washington, alongside international bottles chosen to complement our Asian steak frites and seasonal menu

We celebrate Japan's finest sake breweries, offering everything from crisp junmai to aromatic ginjo, sparkling styles, and bolder expressions — perfect for pairing or enjoying on their own. Our cocktails draw inspiration from Japanese cinema and culture, blending premium spirits with house infusions and teas. Local Colorado craft beers sit comfortably alongside Japanese favorites.

For something rare, ask about our Little Black Book of exclusive bottles.

We look forward to pouring for you.
