

Financial Data Policy

Effective Date: 5/30/2025

1. Scope

This Financial Data Policy applies to all financial transactions conducted through our Services, including ticket sales, subscription fees, and other payments.

2. Payment Processing

- All payments are processed securely through third-party providers (e.g., Stripe, Apple Pay).
- We do not store your full payment card details on our servers.
- Transaction records are maintained for auditing, compliance, and dispute resolution.

3. Security Measures

We implement reasonable technical and organizational measures to safeguard financial data, including encryption in transit and restricted access controls.

4. User Responsibilities

You are responsible for maintaining the confidentiality of your account credentials and ensuring that your payment information is accurate and up-to-date.

5. Disputes and Inquiries

All financial disputes or inquiries must be directed to **admin@blankwallsoftware.com** within **14 days** of the transaction.

6. Changes to This Policy

We may update this Financial Data Policy periodically. Changes will be communicated via the affected products and by email.
