

Evidence Collection Checklist

Use this checklist to gather clear and complete evidence when you believe your art has been copied or misused.

Checklist:

- Full-page screenshot of the infringement, including the URL, listing title, and image.
- Date and time you discovered the infringement.
- Link to your original artwork (website, store, or portfolio).
- Side-by-side image comparison (optional but helpful).
- Platform name and seller/store name.
- Any previous communication or reporting attempts.

Keep this documentation organized in a folder and submit it along with your case form at justice4artists.com/submit
