

Halo 2.3S

A Layout that Encourages Socialisation & Relaxation

The Halo 2.3S, an epitome of sophisticated design and social-friendly features, all encapsulated in a generously sized layout.

The Halo 2.3S is an innovative approach to communal relaxation, offering a spacious setting that encourages socialisation while still allowing for moments of individual relaxation.

Its standout feature is the single recliner, complemented by additional seating for up to five in total, making it perfect for family gatherings or hosting friends. The Halo 2.3S invites you to bask in its communal ambiance or indulge in the exclusive comfort of its recliner, creating a diverse range of experiences for all its bathers.
