

Halo 2.1S

Spacious with Unsurpassed Ergonomics

The Halo 2.1S Spa, designed to fit up to five people, offers a luxurious spa experience in a compact 2050 x 2050mm footprint. Its key feature is an exclusive recliner, providing a personalized relaxation space within a communal setting.

This model's sleek design beautifully complements any outdoor space, making it an attractive addition for both social and solitary occasions. The spa provides a range of customizable features, including adjustable jets and mood-enhancing lighting, to create the perfect ambiance for every bather.

The Halo 2.1S Spa is an ideal choice for those seeking a blend of style, comfort, and luxury in their daily living.
