

The HALO 5.8R takes the new round spa experience and gives it room to expand, bringing a relaxing six seat spa and generous plunge zone together in one considered design.

Created for more ways to enjoy your outdoor space, the 5.8R gives you the freedom to soak and unwind in the spa, cool off in the plunge zone, stretch out or simply spend more time together. Premium hydrotherapy, intuitive SpaTouch controls, smart Wi Fi connectivity and dynamic LED lighting make the experience easy to personalise around the way you want to relax.

Beneath the surface, considered Australian made construction, intelligent filtration and comprehensive insulation bring together comfort, durability and everyday efficiency.
