

Medical Disclaimer & Affiliate Disclosure

Effective date: 1 November 2025

Company: Lucid Health Group Limited

Medical information

- Content on this site is **general information** only. It does **not** replace advice from a GP, pharmacist, or specialist.
- Lucid does **not** provide diagnosis, prescribe medicines, or deliver treatment. We **signpost** or **introduce** you to third-party providers who are responsible for your care.
- If you have new or worsening symptoms, or are at risk of harm, **call 999** or use **NHS 111**.

Provider responsibility

When you book with a provider (clinic, pharmacy, at-home testing service), you enter a contract with them. They set their own pricing, eligibility criteria, and clinical standards. Always read their **Terms**, **Privacy Policy**, and **informed consent documents** before proceeding.

Indicative prices

We display **indicative 'from' prices** to help you compare options. Exact fees, medicines, and eligibility are shown on the provider's booking page. Prices can change without notice.

Editorial independence

We aim to keep information **accurate, balanced, and helpful**. Our guides may prioritise regulated UK providers and those with clear pricing and user experience.

Affiliate & referral relationships

Some links on our site are **affiliate or referral links**. If you click and book/purchase, Lucid may earn a commission or referral fee at **no extra cost to you**. Commissions **do not influence** the price you pay and do not affect our commitment to clear, user-first advice.

No guarantees

Health outcomes vary. Lucid does not guarantee any specific result, diagnosis, or time frame.
