Head & Neck

DESCRIPTION

The PowerCool Shoulder Pillow's ergonomic silhouette cradles the head and neck adapting to side sleepers while providing ice-touch fabric and a ventilated Gel AeroFusion® Memory Foam core to actively dissipate heat and moisture.

27 x 15 in.

34 x 18 in.

1 Cooling Knit Fabric Cover

Breathable fabric that stays cool to the touch, offering temperature regulation for a refreshing sleep.

2 Gel AeroFusion® Memory Foam

Ventilated memory foam infused with cooling gel to enhance airflow, reduce heat retention, and deliver consistent pressure-relieving support across all sleep positions.
