

PowerCool Classic

Foam Core Pillow

DESCRIPTION

The PowerCool Classic Pillow features ice-touch fabric, ventilated Gel AeroFusion® Memory Foam core, and a 360° breathable design that adapts to every sleep position—actively dissipating heat and moisture to deliver consistent, refreshing cool support night after night.

27 x 15 in.

34 x 18 in.

- 1 Cooling Knit Fabric Cover**
Breathable fabric that stays cool to the touch, offering temperature regulation for a refreshing sleep.
- 2 Gel AeroFusion® Memory Foam**
Ventilated memory foam infused with cooling gel to enhance airflow, reduce heat retention, and deliver consistent pressure-relieving support across all sleep positions.
