

Midnight ICE 1.0

Firmer 1.0

Plusher 3.0

14" Hybrid Mattress

MLILY®

DESCRIPTION

Luxury meets cooling comfort in the Midnight ICE mattress. Taking all the benefits of the traditional Midnight mattress, the Midnight ICE adds 2" of plush foam including the copper-infused AeroFusion® Memory Foam with ActiveTemp™ PCM. This mattress offers enhanced cooling and breathability while contouring to your body, creating a sleep environment that's decadent and rejuvenating.

ICE UPGRADE

The advanced cover and additional cooling layers have temperature-regulating properties that move heat away from the body, so you sleep even better.

PCM
Coating
