Cooling Memory Foam Mattress

## DESCRIPTION

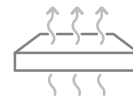

This 12-inch all-foam mattress delivers a premium sleep experience with multiple layers of contouring foam and a cooling knit cover that regulates body temperature. No branded label allows you to tell your own story while offering a compelling upsell opportunity with cooling performance at a non-premium price.

- 1 Cooling Knit Fabric Cover with Firesock
- 2 4.0" Gel AeroFusion® Foam
- 3 8.0" Flex Support Foam
