

IMAGE REPRODUCTIONS USE AND PURCHASE

The Black American Museum West Museum & Heritage Center makes its photographs available to the public under the following conditions and procedures:

- Reproductions of materials from the Museum's collections are provided under a license agreement for purposes as indicated by the user and agreed upon by the Museum.
- Conditions governing their use are specified on a contractual agreement generated by the Museum that is to be signed by the user.
- All orders must be prepaid. All sales are final.
- All responsibility regarding questions of copyright or invasion of privacy that may arise in the use of material that has been reproduced by the Black American West Museum must be assumed by the user.
- The Black American West Museum gives no exclusive rights for the use of its material. Permission is granted for one-time use only. Any subsequent use of an image requires the written permission of the Museum and the payment of additional fees. Commercial use of images is priced and licensed based on usage.
- It is the responsibility of the user to credit the Black American West Museum. The preferred citation is: **Black American West Museum & Heritage Center.**
- Special requests not specifically mentioned within the above procedures will be considered and subject to special agreements. The Museum reserves the right to charge additional fees for items that pose unusual difficulty in scanning.
- The Museum requests, and is appreciative of receiving, a free copy of the item containing the material that is published or produced.

Image Permissions:

- To apply for permission to publish or reproduce images from the Black American West Museum's collections, please read and agree to the **Museum's Letter of Agreement for Use of Photographic Reproductions**. The Letter of Agreement does not grant copyright permission but is a contract for permission to use photographs reproduced by the Black American West Museum. Use in any commercial or editorial medium requires the user to agree to the Museum's Letter of Agreement. Possession of an image does not constitute permission to use it.
- The image permission fees are separate from, and in addition to, image reproduction charges.
- Image permission is for a one-time, one project use only.
