

# THE WESTIN CALGARY AIRPORT

# Modern Meetings. Elevated

Now Available in Red Deer, Nose Hill, & Chief Mountain

At The Westin Calgary Airport, we believe a successful meeting begins with seamless technology. That's why our second floor meeting spaces now include 85" Smart Multimedia TVs—fully integrated and ready to support your success.

## Multimedia TV Features

### Wireless Screen Sharing

Cast from Mac or Windows—no cables required. Setup guide included in-room.

### Apple AirPlay & Samsung DeX

Present directly from iPhone, iPad, Mac, or Samsung smartphones.

### HDMI Connectivity

Prefer to plug in? HDMI ports are ready for wired presentations.

### On-Site Audio & Visual Support

From setup to troubleshooting, Encore's expert technicians are on-hand to ensure your event runs flawlessly.

### Available In

All bookings in Red Deer, Nose Hill, Chief Mountain & Okotoks meeting rooms now feature this upgraded Multimedia TV experience
