On behalf of the Bow Valley College community, congratulations!

As you embark on your next career steps as a member of this alumni community, know that we will continue to be here to help you reach your lifelong learning goals.

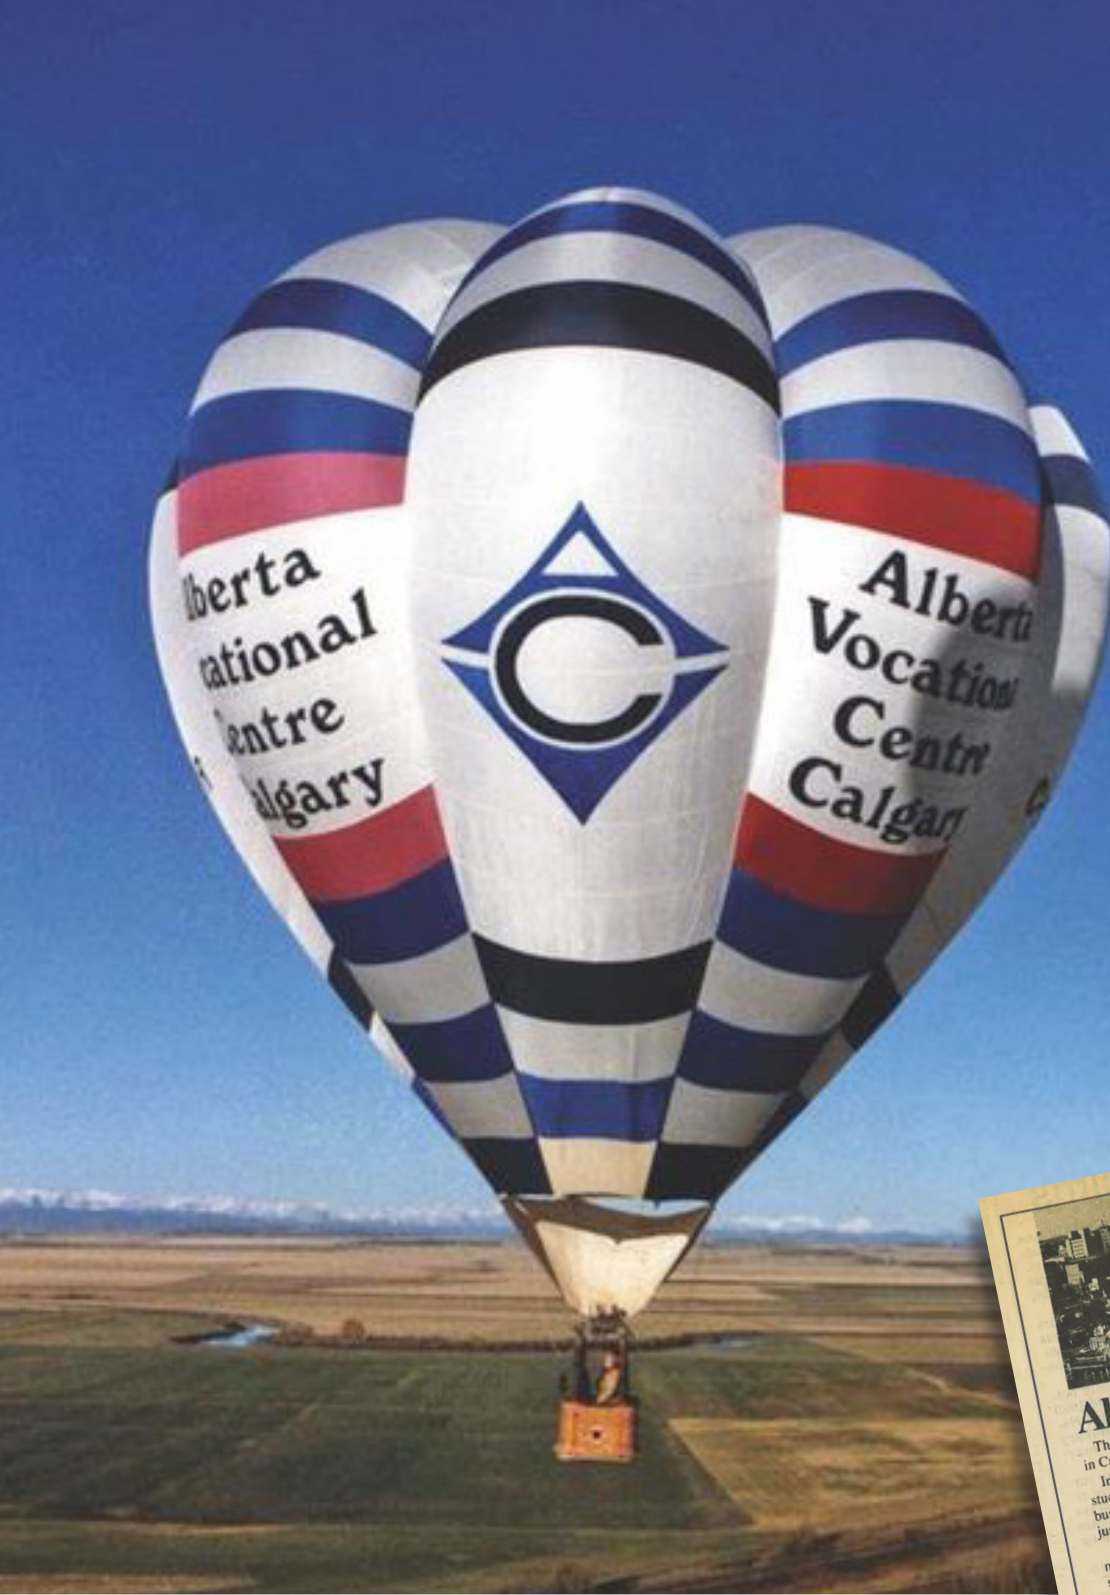

Congratulations once again on your achievement. You have worked hard, and we are confident you will achieve great things.

Good luck!

Sincerely,

Dr. Misheck Mwaba, P. Eng
President and CEO

Alberta Vocational Centre College

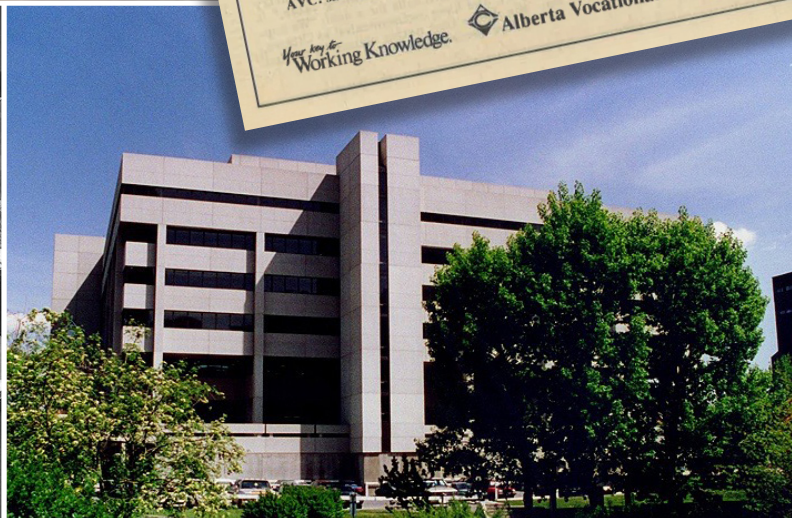

Things have changed since 1965. In 1965 the Sheraton Hotel was the tallest building in Calgary, a cellular phone was unheard of, and a Macintosh was just an apple.

In 1965, the newly-opened Alberta Vocational Centre in Calgary admitted 535 adult students. Since then, AVC has offered dozens of courses — in computers, training for business and industry, English as a second language, high school equivalency, to name just a few — to thousands of adult Albertans.

Today's AVC has a staff of 400 and serves 25,000 students. It's unique. In fact, nowhere else in Canada are there comparable institutions with the trained staff and support services specifically oriented toward assisting adults.

AVC: same initials, same commitment, new name.

Your key to Working Knowledge.  Alberta Vocational College 

Celebrating 60 years of student success

2025 marks Bow Valley College's 60th anniversary. Since opening our doors as the Alberta Vocational Centre – Calgary in 1965, we have been providing job-focused training and continue to champion career-focused programs.

From humble beginnings offering preparatory programs, business education, and academic upgrading, our focus has been on transformative education. We launch careers in entertainment arts, health and wellness, business, and technology to new heights. We remove barriers to education to make all learning count.

Our downtown campus — a hub of innovation, learning, and belonging — has doubled in size since opening in 1972. On April 1, 1998, Alberta Vocational College became the institution we know today: Bow Valley College.

We have grown from being a vocational training centre to a career-focused college, helping students advance into meaningful careers. We are poised to build on our rich history and continue our mission of fostering innovation, accessibility, and lifelong learning.

2025 is about celebrating 60 years of student success, and many more years of Bow Valley College.

Distinguished Speaker

Ken Lima-Coelho

**President & CEO, Big Brothers
Big Sisters of Calgary and Area**

Ken Lima-Coelho is a dynamic leader and community builder with over 25 years in broadcasting, brand and fund development, the arts, and youth-focused initiatives.

As President & CEO of Big Brothers Big Sisters of Calgary and Area, Ken helps to empower youth through mentorship. This passion was also evident in his previous role as Vice President, Community Engagement with YMCA Calgary.

Ken's career began at CBC Calgary, where he held roles in broadcasting, marketing, and brand strategy. He also served as Vice President of Development at the Glenbow Museum.

A sought-after emcee, Ken has lent his voice to The Calgary Foundation, University of Calgary, Tourism Calgary, Calgary Economic Development, the Calgary Stampede, and many other organizations. He serves as a board director with The Calgary Foundation, and was a founding member of the Calgary Chamber's Diversity, Equity, and Inclusion Committee.

Ken's dedication to community service has been recognized with several awards:

- The Order of the University of Calgary (2024)
- Paul Harris Fellowship Award from Rotary International (2024)
- Queen Elizabeth II's Platinum Jubilee Medal (2022)
- The Calgary Award for Community Advocate – Individual (2020)

Ken is a founding member of Calgary comedy acappella group The Heebie-jeebies, which has been entertaining audiences and raising funds for charities for more than 30 years. He is a devoted husband and father, cheering on his hockey-loving son and supporting his daughter's passions for singing and baking.

Ken recently completed the Ivey Executive Program at Ivey Business School at Western University and holds degrees in communications from the University of Calgary and journalism from the University of King's College (Halifax).

Valedictorians

Tracey Dalgetty

Early Childhood Education and Development Diploma,
School of Community Studies

Tracey Dalgetty has dedicated more than 20 years to early childhood education in Calgary, balancing her career as an early childhood educator while raising her own children alongside her husband of 30 years. As her children pursued their university studies, she embraced the opportunity to prioritize her passion for learning and returned to school to complete her Early Childhood Education and Development Diploma at Bow Valley College, drawn to its flexible delivery options.

Navigating the challenges of being a mature student in a virtual environment, Tracey quickly gained confidence and excelled in her studies. Her dedication was recognized with both an Academic Excellence Scholarship and the Louise McKinney Scholarship.

With a steadfast commitment to quality childcare, Tracey aspires to continue serving families in her community while using her education and experience to advocate for increased funding and resources, inclusive practices, parental engagement, educator well-being, and children's rights.

Guided by the belief that meaningful change starts with action, she embodies the words of Mahatma Gandhi: ***"Be the change that you wish to see in the world."***

Jemily Neshine

Health Care Aide Certificate,
School of Health and Wellness

Before coming to Bow Valley College, Jemily Neshine was a single mom to a daughter, Amara. Taking care of Amara on her own helped Jemily find her calling.

In 2022, she moved to Calgary to be closer to her family. Having always wanted to help people and make a difference; she came across Bow Valley College's Health Care Aide Certificate and knew it was a fit.

Jemily's classmates at Bow Valley College turned into friends, as they supported each other through their studies, with endless hours practicing technical skills for their profession. Jemily also credits her instructors with sharing much more than skills, but for taking time to explain the "why" behind all the course content.

Jemily finished the Health Care Aide Certificate with a GPA of 4.0.

Now providing homecare, working one-on-one with clients, she genuinely enjoys every aspect of the job while getting to know the people she cares for. While she has fulfilled her career aspirations to this point, Jemily is considering nursing in the future.

"You don't go through life. You GROW through life."

Luisa Madriaga Rebualos

Medical Office Assistant Certificate, 2023

Luisa Madriaga Rebualos once stood at a crossroads. She had earned a biology degree in the Philippines and worked in a call centre—but after the pandemic, something shifted. “I wanted to reconnect with my passion for healthcare,” she says. That calling led her to Bow Valley College’s Medical Office Assistant Certificate—a blend of science and service that felt just right.

During her second semester, she volunteered at the campus flu clinic. Her enthusiasm caught the eye of the clinic manager, and just like that, Luisa stepped into her first role in Canadian healthcare.

“The hands-on learning and support from my instructors gave me the confidence I needed to enter the field,” she says.

Now working at Richmond Square Medical Centre, she reflects on her journey. “Say yes to the small things. Volunteering opened doors I never expected,” she shares. Today, Luisa is a proud Bow Valley College alum, carrying forward purpose, connection, and care.
