

FIVE

SKILLS TO IMPROVE YOUR

PRESENTATION SKILLS

1

ENGAGEMENT

Interact with your audience, ask questions, and encourage participation to keep them engaged.

2

ADAPTABILITY

Be prepared to adapt to unexpected situations or questions, showcasing flexibility and expertise in your subject matter.

3

CONFIDENCE

Build confidence through practice, knowledge of your material, and maintaining good posture.

4

VISUAL AIDS MASTERY

Learn to use visual aids like slides or props effectively to enhance your presentation.

5

EFFECTIVE COMMUNICATION

Focus on clear and concise communication, ensuring your message is easily understood.
