Add \$3 for an individual portion of Seasonal Vegetables

Some call it Legendary, others call it Iconic. This dish is simply what we have been proudly serving since 1971.

Perhaps it's because our free-range chickens (about 2kg each, producing 4 servings) are specially reared for 60 days that is an additional 15 days more to ensure plumper, juicier, and more flavourful meat. Or the fact that it is lovingly cooked in an aromatic stock, slowly steamed till tender, and then cooled to seal in the symphony of flavours. We can't tell you all our secrets, but we invite you to taste this special dish that has put us on the map for over 50 years.

Served boneless, with a side of fragrant, broth-cooked jasmine rice, and warm soup nourished with the pure essence of chicken and aromatics. What completes this comforting sensorial journey is the accompanying trio of homemade signature chilli sauce, ginger purée and dark soya sauce.
