Get married by the water and surrounded by greenery

Lommerrijk is located in a beautiful spot near by the "Bergse Plas" in Rotterdam-Hillegersberg. Many couples preceded you and said yes to each other in the Terrace Room of Lommerrijk. The Terrace room, with its own entrance and a unique view of the Bergse Plas, has its own intimacy for this romantic moment. We also offer you the opportunity to get married outside on the "Landtong" under the chestnut trees and by the water.

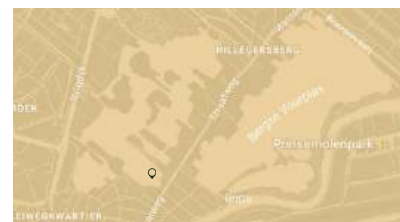

Wedding venue in Rotterdam on the waterfront

Lommerrijk is the perfect venue for a wedding in Rotterdam.

Lommerrijk is located just outside the center of Rotterdam, yet only five minutes from the A20 and A13 highways. Your guests can use our parking lot free of charge; we have space for over 120 cars. If our parking lot is full, there is paid parking in the surrounding area.

Appointment and quotation

It is possible to make an appointment 7 days a week, both in the afternoon and in the evening. During a personal meeting we will note all your wishes and make a non-binding offer, so that you have an idea of the costs. To avoid disappointment, we can put the desired space on option without any obligation. This gives you time to make your choice and ensures availability. Call the reservations department to make an appointment.

CAPTAIN'S SLOOP

(April – October)

Prior to the ceremony, our skipper will take you on an intimate boat trip across the Berge Plassen lakes. While you enjoy the water, the tranquility, and the view together, your guests will take their seats for the ceremony in peace and quiet.

After a relaxing trip of about 30 minutes, the captain's sloop will moor at our jetty and you will make an atmospheric and unforgettable arrival: your grand entrance to the ceremony.

In addition, the captain's sloop can be used during the reception for those who want to enjoy a short boat trip on the water in between.

The captain's sloop is reserved exclusively for you and can accommodate groups of up to 8 people.

Would you like to take a boat trip with a larger group? Feel free to ask us about the possibilities.
