Professional Exterior Wood Finishes

WoodPride Premium Deck Stains

Our Premium Oil/Acrylic Deck and Siding Stains provide excellent protection from the weather while giving your outdoor project a beautiful finish. The stains have excellent durability and water repellency features that help protect against peeling. The Premium formulations are fortified with natural penetrating oils that promote a long lasting finish. WoodPride Premium deck stains are available in solid or semi-transparent finishes.

Features & Benefits

Penetrates & Protects

Provides excellent protection from the weather. Reinforced with alkyd resins to prolong the life of the wood.

Semi-Transparent Finish

Allows the natural colours, textures and beauty of the wood to show through. Contains UV protection to reduce colour change.

Solid Finish

Premium opacity formula allowing for excellent hiding.

Low VOCs

A low solvent content makes it easier on the environment.

Easy Application

Goes on smoothly and does not splatter.

Moisture and Mildew Resistant

Protects paint against growth of mildew.

WoodPride Quality Siding Stains

WoodPride quality Siding Stains are ideal for vertical applications such as siding and fences. These quality stains provide excellent protection from weather conditions. They provide good durability and water repellency to promote a long lasting finish on vertical surfaces. Two different solid finish stains are available – a high quality 100% Acrylic latex and an Oil/Acrylic formula. The Oil Acrylic version is fortified with natural penetrating oils that prolong the life of the wood.
