**Formats:** 30–90 min keynote | Q&A | Half-day / Full-day workshop

**Ideal for:** C-suite, senior leaders, managers, product and operations leaders, people development teams, HR, transformation programmes, and professional coaches

### KEYNOTE: COACHING REWIRED

How modern coaching systems create durable performance

Improves the quality of coaching conversations so clarity, accountability, and performance compound over time.

### KEYNOTE: LEADERSHIP IN THE INTELLIGENCE AGE

Operating at the human edge in an AI-driven world

Equips leaders to think clearly, develop deeper emotional intelligence, communicate with impact, and make better decisions.

### KEYNOTE: INFINITE EDGE

Building leaders and teams to perform consistently and achieve under pressure

Develops self-leadership skills so individuals and teams operate with confidence, resilience, focus, and calm under pressure.

### INTERVIEWER

James is a highly skilled interviewer, known for his intensity, deep listening, and ability to draw out what truly matters — for the audience and the organisation.

He works with event teams to pre-agree outcomes and key themes, ensuring conversations are purposeful and impactful. Combining energy, curiosity, and calm authority to create interviews that are engaging, insightful, and memorable.

#### Ideal for:

Leadership interviews, fireside chats, panel conversations, senior leader spotlights, conferences and internal events

### EVENT HOST

James has hosted hundreds of major events, conferences, and leadership programmes across business and sport.

As a host, he brings structure, presence, and flow — welcoming audiences, introducing speakers, conducting interviews, managing transitions, and keeping energy high while reading the room to maintain control of time and tone throughout the event.

#### Ideal for:

Conferences, leadership offsites, internal events, awards evenings, and multi-speaker programmes

*Designed for organisations who want emotionally intelligent leadership, clear communication, and sustained performance.*
