What Makes Us Great

1. Process
2. Environment
3. Experience
4. Service
5. Equipment

Pricing

All projects begin with a free quote provided by a site rep and one of our trained specialists.

Performing

No two projects are ever the same. We take pride in creating and executing the job specific to your workplace.

Planning

We create a plan with your team and business in mind to address all of your carpet and upholstery cleaning needs.

process

Extended Life

Using both high tech equipment paired with eco-friendly products, your carpets and furniture will last longer.

Environmentally Friendly

We use non-toxic, Eco-Logo carpet cleaning products.

Electric

Our electric, propane truck mounts are extremely quiet and eco-friendly. Any noise is kept inside the building.

environment

Certification

All employees are IICRC certified and recognized as "Professional Textile Cleaners"

Commercial Exclusive

We only focus on commercial carpets. We are the ONLY cleaners in British Columbia with specialised cleaning tools and truck mounts.

We Handle Vancouver's

- Airports
- Convention Centres
- Restaurants and Pubs
- Offices, Banks, Retail Stores
- Municipal/Provincial/Federal Govt. Spaces
- Industrial Plants/Warehouses
- Medical/Retirement Buildings
- Churches

And More!
