The Exterior

This residence project pairs bold contemporary architecture with a refined, cohesive material palette. The exterior blends Golden Teak wood-look composite cladding with deep SW Urbane Bronze reverse accents for a striking, modern contrast.

Simple exterior lighting highlights the architecture and creates a welcoming street presence. This residence is completed with its own private backyard and pool, perfect for relaxing and entertaining.

The Interior

At the center of each home, the kitchen is thoughtfully appointed with premium appliances, natural stone countertops with waterfall islands, and custom walnut cabinetry crafted for performance.

Wide-plank engineered white oak floors and a custom walnut entry detail set a refined tone, while open living spaces are filled with natural light. The primary bedroom serves as a calm escape, complete with a well-designed bath and a generous walk-in closet.

Open-concept kitchen, dining, and living areas with seamless flow.

Primary bedroom with a serene, modern feel.

Primary bathroom designed with clean lines and spa-like finishes.
