Judi Rx Drug Recall Report

October 2026

Welcome to the **Judi Rx Drug Recall Report**. This report is designed to keep you up to date on the latest FDA Class 1 and Class 2 recalled drugs and market withdrawals that impact our members. It is one of the many ways we, at Judi Rx, demonstrate our commitment to providing clients and partners the tools and resources they desire.

WHO WE ARE

Judi Rx is a full-service pharmacy benefit manager (PBM) and pharmacy benefit administrator (PBA), advancing our nation's electronic healthcare infrastructure to improve drug price visibility and patient outcomes. Judi Rx is executing its mission through the deployment of Judi®, the company's cloud-native enterprise health platform, and a Single-Ledger Model™, which increases visibility and reduces variability in drug prices. Judi connects every aspect of the pharmacy ecosystem in one efficient, scalable platform, servicing over 2.4 million members for Medicare, Medicaid, and commercial plans. Together with our clients, we are reimagining the administration of pharmacy benefits and rebuilding trust in healthcare. **The drug recall report is subject to change: information in this report is current as of **10/21/2026****

Privacy Statement:

Judi Rx, Inc., on behalf of itself and its subsidiaries (including but not limited to Judi Health, LLC and Amino, LLC) ("we," "our," or "us") is committed to ensuring that your privacy is protected. This privacy policy describes the types of information we may collect from you or that you may provide to us and our practices for collecting, using, maintaining, protecting, and disclosing that information. This policy applies to information collected or provided through any services offered on or through judihealth.com such as the member web portal, our care navigation platform, and our mobile application accessible at the Google Play Store and iOS App Store under the name Judi Rx | Judi Health (collectively, our "Site").
