

Boardwalk Pipelines, LP

WHO WE ARE:

Boardwalk Pipelines, LP ("Boardwalk") operates in the midstream portion of the natural gas and natural gas liquids industry, providing transportation and storage for those commodities. We also provide ethane supply and transportation services for industrial customers in Louisiana and Texas.

We serve a broad mix of customers, including electric power generators, producers and marketers of natural gas, local distribution companies, industrial users, exporters of liquefied natural gas, and interstate and intrastate pipelines.

OPERATIONAL HIGHLIGHTS

Boardwalk has a long history of operating safely and efficiently. In 2023, we placed into service approximately \$166.0 million of growth projects. Our management team is focused on disciplined capital allocation and long-term value creation. We participate in many national associations, including the Interstate Natural Gas Association of America (INGGA) and Southern Gas Association (SGA). Boardwalk is a privately held, wholly owned subsidiary of Loews Corporation.
