

SECURE Project

INSIGHTS:

Gulf South is an interstate pipeline company that transports natural gas for major utility companies.

The SECURE Project will directly support Southern Companies, and Florida Power & Light in the distribution of energy to the public.

Gulf South has approximately 625 employees and operates 7,400 miles of pipeline and 46 compressor stations safely every day.

In 2024, Gulf South contributed approximately \$30MM in ad valorem taxes to Louisiana and \$23MM to Mississippi.

The SECURE Project is estimated to contribute approximately \$1MM in ad valorem taxes to Mississippi and \$150K to Louisiana in its first full year of operation.

PROJECT DESCRIPTION

Gulf South Pipeline Company, LLC (“Gulf South”) is proposing new and upgraded compression facilities for its Southeast Compression for Utility Reliability Expansion project (“SECURE Project”) across Mississippi and Louisiana. The SECURE Project will add capacity on Gulf South’s system, boosting natural gas flow along the eastern portion of the Gulf Coast region. These activities will help meet energy demands and support power generation in America. Below is a summary of the proposed activities and their respective locations.

Jasper County, MS	Jasper CS	Add’l compression @ existing station
Forrest County, MS	Forrest CS	Add’l compression @ existing station
Hinds County, MS	Hinds CS	New station
Madison Parish, LA	Tallulah CS	Add’l compression @ existing station
