

GULF SOUTH PIPELINE COMPANY, LLC

A SUBSIDIARY OF BOARDWALK PIPELINES, LP

COMPANY OVERVIEW

Gulf South Pipeline Company, LLC (Gulf South) provides critical natural gas transportation and storage services across the Gulf Coast and southeastern United States. With approximately 7,200 miles of pipeline and a deep portfolio of high-deliverability storage assets, Gulf South connects key shale plays and conventional basins to utilities, power generators, liquefied natural gas exporters and industrial users across multiple states and has a long-standing history of safe, reliable operations. Gulf South's strategic hub and broad market reach make it a reliable and flexible link in the nation's energy infrastructure.

Gulf South is a leading midstream energy company that provides critical natural gas and natural gas liquids transportation and storage services that help markets grow and communities thrive. Gulf South is focused on building and operating energy infrastructure that fuels economic growth, strengthens energy security, and supports a low-carbon future. As energy demand continues to rise, Gulf South is expanding its systems to provide reliable, affordable, and responsible energy to power homes, industries, and communities.

Gulf South has a long-standing history of safe, reliable operations in Texas and southwestern Louisiana.

GUIDING PRINCIPLES

SAFE, RELIABLE OPERATIONS

Gulf South prioritizes safety, operating with integrity and care in every community they serve. Gulf South's Pipeline Safety Management Systems follow the Plan-Do-Check-Act framework to foster a culture of continuous improvement. Their Public Awareness Programs help inform landowners, contractors, and residents about pipeline safety, as well as raise awareness about the locations of company facilities, how to prevent damage from excavation, and what to do in an emergency.

PARTNERING WITH COMMUNITIES

Gulf South is committed to ensuring that infrastructure projects deliver long-term value to the communities they serve. Through its Partnering with Communities Program, the company works directly with local leaders, nonprofits, and stakeholders to support education, safety, and economic development. In 2025, Boardwalk contributed approximately \$37 million in property taxes to Louisiana and \$13 million to Texas—funding that supports schools, emergency services, and local infrastructure.

SUSTAINABILITY AND ENVIRONMENTAL STEWARDSHIP

Gulf South through Boardwalk's sustainability strategy is focused on meeting today's energy needs while building a more secure and sustainable future. The company emphasizes environmental stewardship, operational excellence, safety and reliability, and community and employee well-being—all anchored in transparent and ethical conduct.
