2026 Annual Benefits Enrollment is quickly approaching and as always, the Choctaw Nation of Oklahoma is committed to providing associates and their families with an exceptional, comprehensive benefits program.

What You Need to Know:

- Enrollment period: Three weeks of enrollment time between **Monday, October 20 – Sunday, November 9.**
- Re-enrollment not Required: You are not required to re-enroll for 2026, unless you want to continue or enroll in a Flexible Spending Account (FSA) or Pet Partner's Pet Insurance. If you don't want to make changes to your remaining plan, you will be automatically re-enrolled into the Choctaw Nation of Oklahoma (CNO) insurance plan in which you currently participate.
- Benefits Microsite: CNO will not mail benefits handbooks to your personal address this year. Instead, all the information you need to know will be available on the CNO Benefits Enrollment microsite (not a part of Hoshonti).
