Meeting was called to order at 3:30 PM.

Ms. Seema announced attendance will be a focus this year. Title One chair must attend. The chair is Melissa.

Regulation A-655 stipulates SLT must have two student representatives. Ms. Tomko suggested student council as a source of student representation.

Mr. Basile added, "A child from Sonic, a child already in the building where the parent is aware of where the student is."

Ms. Seema remarked, "We should include an IEP student."

A suggestion was made to hold a vote next week and to have perspective student members introduce themselves and discuss joining S.L.T.

Ms. Seema asked the members to participate in the S.L.T. surveys. Members were instructed to read the C.E.P. over the weekend. Members were asked to think about possible destinations for trips: the Hall of Science, the Edge, the Staten Island Zoo, etc.

Chancellor's Regulation A-655 states members must complete the Title One Surveys.

Discussion turned to STH appropriations. Mr. Basile suggested the use of "Lovely Laundry." This service picks up laundry from temporary housing, does it, folds it, and returns it to the residence. Mr. Basile noted that food and hygiene can be delivered directly to the parent/family in subsidized public housing.

A motion was made to adjourn the meeting. The next meeting will be held on Thursday, October 15.

Meeting was adjourned at 5:00 PM
