## **EXECUTIVE SUMMARY**

We are a privately owned limited entity registered in February 2018, under the Companies Ordinance CAP 212 of the United Republic of Tanzania. Whereafter we are registered by the Contractors Registration Board “CRB” as civil Works Contractor Class Two with registration No. C2/62/07/2021 and Building Contractor Class Two with registration No. B2 / 109 / 07 / 2021 to undertake construction works.

The company is registered with a business licence for Civil Works Contractor Class Two with registration No. B3857465 and Building Contractor Class Two with registration No. B3857477.

The Company is registered with **BRELA** with certificate of **Registration No . 138802388.**

We understand the challenges and difficulties facing our clients and through a partnering approach endeavour to provide customers solutions effectively; Thus no assignment is too small to us.

We have successfully completed a number of projects ranging from ; infrastructure development, (i.e. road construction ,bridges, culverts, jetties, Drainage system), earth moving works (irrigation scheme and water reservoir), residential , commercial and industrial facilities.

### **VISION**

To provide foundation for Society's future
