

Name

Andrew Pickering

Year of Call

1987

Areas of Law

Clinical Negligence, Industrial Disease Inquests and Inquiries, Personal Injury and Police Law

Overview

Andrew specialises in serious personal injury and professional negligence litigation, with extensive experience in advisory and advocacy work at interlocutory, first instance, and appellate levels. He has particular expertise in fatal accident claims, catastrophic injuries (including brain and serious orthopaedic injuries), clinical and dental negligence, and industrial disease litigation.

Memberships

- Former Northern Circuit Representative on the PIBA Executive Committee

Further Information

Andrew's practice covers a wide range of litigation, including accidents at work, road traffic accidents, public liability, and sports or recreational injuries. He regularly undertakes claims involving industrial disease, such as:

Noise induced hearing loss
Occupational asthma
Industrial dermatitis
Repeated insult back injury
Vibration white finger

He also has notable experience in historic sex abuse claims involving children's homes and football clubs. Andrew is frequently instructed in Costs Management Conferences for complex Multi-Track claims and acts for both Claimant and Defendant solicitors.

Andrew is Deputy Head of Chambers and Head of the Civil Practice Group at Atlantic Chambers, Liverpool. He is recognised as a leading individual in the 2016 edition of Legal 500.
