

Respite Care Stays

Silvergate's Respite Care apartments provide seniors with a safe and nurturing place for overnight stays when family members are out of town or simply need a break from the routines and stress of daily caregiving. Loved ones receive round-the-clock supervision and the support services they need while family members refresh themselves and avoid caregiver burnout. Respite stays are also a great way for loved ones to rehabilitate after surgery or emerge more rested after a hospital stay.

Respite Care Stays include:

- ◆ Furnished studio apartment with private bath
- ◆ Three daily meals with room service options
- ◆ Cable, WiFi and phone service
- ◆ Weekly housekeeping service
- ◆ Medical transportation coordinated by staff
- ◆ Guest meal passes for visiting loved ones
- ◆ On-site activities and engagement programs
- ◆ 24-hour emergency response system
- ◆ Licensed nurses available 24/7

Additional Care Services:

**Medication Management • Bathing
Dressing Assistance • Continence Assistance
Diabetes Care Management
Escort Assistance**

These and other care services are available at an additional cost.
Care plan based on physician's report and assessment
by Silvergate staff.

Starting at \$200 A Day
