

Prenume / Nume: Maria Ramona Neamu

Data nașterii: 27.11.1980

Specialitate: Obstetrică-Ginecologie

Grad profesional: Medic Primar

Competențe: Tratamentul cuplului infertil si Tehnici de Reproducere Umana Asistata, Medicina Materno-

Fetala, Laparoscopie Ginecologica, Ecografie Obstetricală și Ginecologică, Histeroscopie, Colposcopie,

Planificare Familiala

Studii universitare:

- Diploma de Licenta a Universității de Medicina si Farmacie “Carol Davila”, Facultatea de Medicină

Generală, Bucuresti, promoția 2005.

Studii postuniversitare:

Admiterea la examenul national de rezidentiat, noiembrie 2006.

Specializare Obstetrica Ginecologie, 2007-2012, Spital Clinic Dr Ioan Cantacuzino

Certificat de Medic Specialist Obstetrica Ginecologie, prin OMS cu nr.717/martie 2012

Certificat de Medic Primar Obstetrica Ginecologie, prin OMS cu nr.1749/septembrie 2021

Arii de interes :

- Tratamentul cuplului infertil si tehnici de reproducere umana asistata: inseminarea intrauterina,

fertilizarea in vitro, embriotransfer, conservarea de ovocite

- Stimularea si monitorizarea ovulatiei

- Punctia aspirativa a foliculilor ovarieni

- Testarea permeabilitatii tubare prin histerosalpingosonografie sau histerosalpingografie

- Obstetrica : supravegherea evolutiei sarcinii normale si patologice, dirijarea travaliului, nasterea

naturala si prin operatie cezariana

- Ecografie de sarcina (biometrie fetala, morfologie, velocimetrie) si ecografii ginecologice

- Consultatii ginecologie

- Histeroscopie diagnostica si interventionala

- Chirurgie laparoscopica: chistectomie ovariana, anexectomie, miomectomie, chirurgia trompei

uterine, histerectomie laparoscopica, cura chirurgicala a sarcinii extrauterine

- Diagnosticul si tratamentul colului lezional: colposcopii, ERAD, conizatia, amputatie de col uterin

- Chirurgie abdominala deschisa: miomectomie, histerectomie, cura chirurgicala a incontinentei

urinare, a prolapsului uterin

Educatie medicala continua:

- 5-9 octombrie 2025, "XXV World Congress of The International Federation of Gynecology and Obstetrics", Cape Town, South Africa
