10. **Can I submit more than one entry for the 2025 ARTEFFECT competition?** No. You may submit only one entry for the ARTEFFECT 2025 competition. If you have created more than one ARTEFFECT project, please select your best project for your submission.
11. **Can I submit an entry that I already submitted in a previous year?** Yes, all submitted entries will be reviewed by the ARTEFFECT judging panel. Re-submitted artworks that were winners or finalists in previous competition years will not be re-considered for additional awards, prizes, or recognition. Keep in mind that a re-submitted entry that has not been significantly altered will likely achieve the same result as when it was first submitted. We encourage you to create a new project for the annual submission.
12. **Can I use source images from the internet?** You may use historical source images from the internet, although we discourage entrants from copying source material directly. Existing and known historical portraits and images of the Unsung Hero can be used for inspiration and general reference within an artwork, but judging will consider your originality and creative interpretation of the story.
13. **What criteria are used to judge my project?** Judging is based on three key elements: Creative Interpretation, Aesthetic Quality, and Impact Statement. For more information, review the [Rules and Guidelines](#) and the [Judging Rubric](#).
14. **Can I create an artwork based on an Unsung Hero that I find by myself?**  
We strongly recommend you choose an Unsung Hero from the [pre-approved list of LMC Unsung Heroes](#). If there is an Unsung Hero that you feel very committed to choosing for your project who is not listed, you must send an email to [arteffect@lowellmilken.org](mailto:arteffect@lowellmilken.org) with the name and detailed biographical information about the individual and receive a confirmation email in return that this unsung hero is approved.
15. **Can I enter ARTEFFECT with work that has been previously published, exhibited, or recognized by another program?** If your artwork or Impact Statement has been previously published, exhibited, or recognized by another program, confirm that they do not hold any rights to your work before entering ARTEFFECT. In the case that your work receives an ARTEFFECT award or prize, it must be free to use in our publications and exhibitions.
16. **How will ARTEFFECT use my project?** All finalists and winners will be featured on the ARTEFFECT website. Selected award-winning artworks will be showcased in ARTEFFECT materials and displayed in exhibitions. ARTEFFECT will have exclusive rights to your project, and you must send your original artwork to ARTEFFECT.
