

Springpod Educator Portal

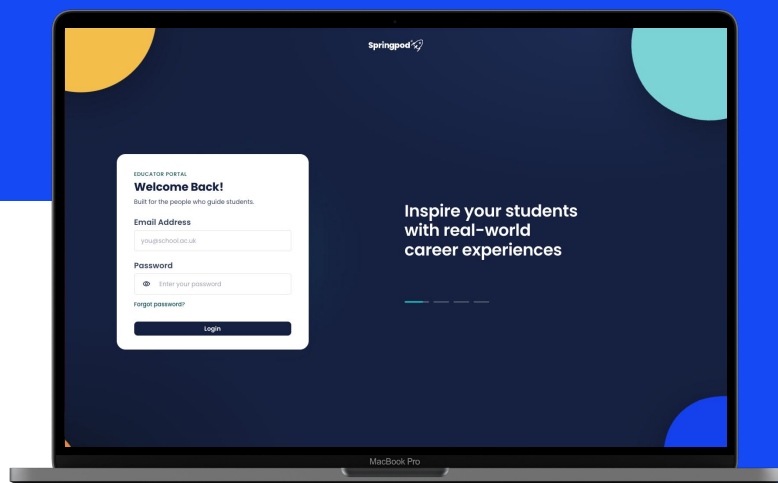

Step 1

Complete our form to request access.

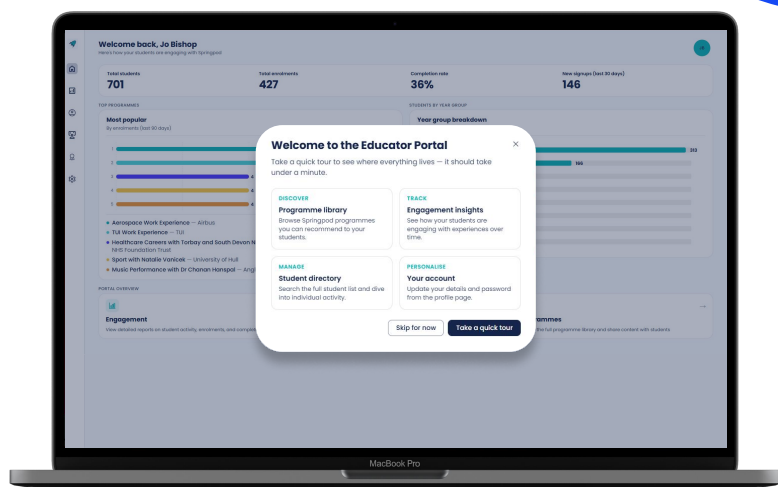

<https://springpod-survey.typeform.com/to/vNC5yq7l>

Once completed and verified by us you will receive an invite to Ed Portal with a temporary password which you can update.

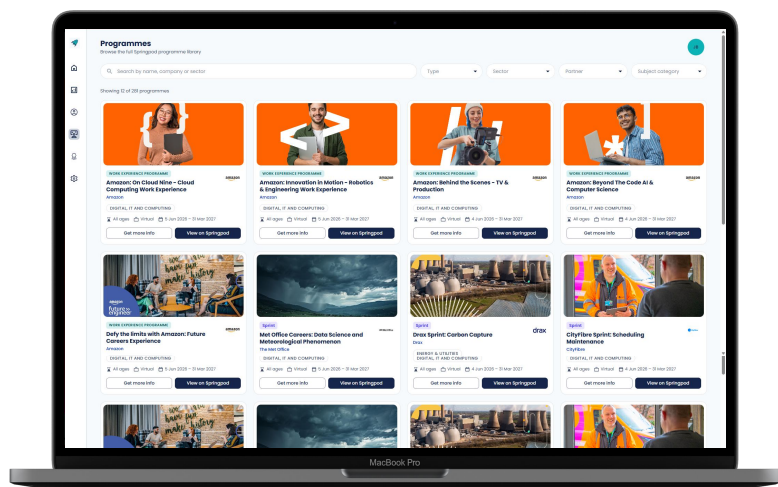

Step 2

Take a quick tour to see where everything lives – it should take under a minute.

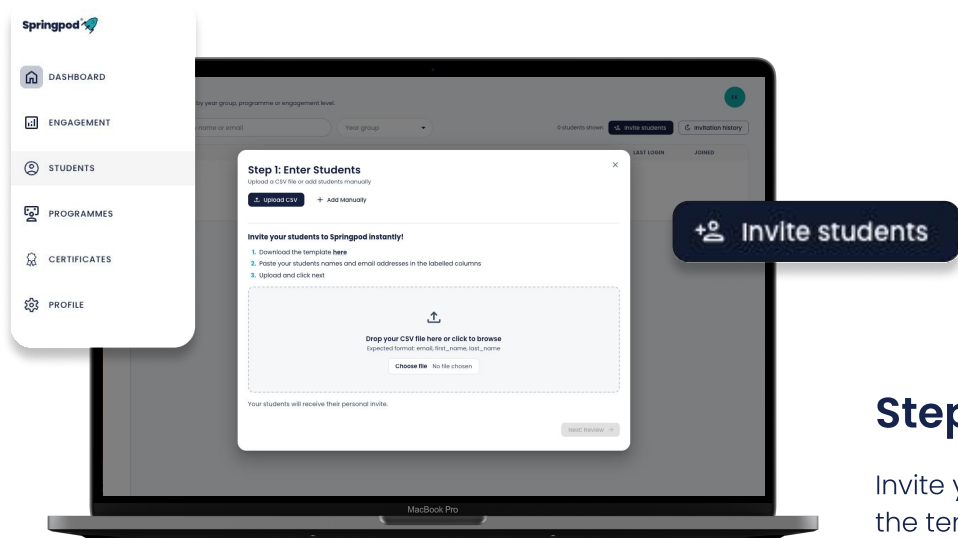

Step 3

Demo any programme in the Programme Library.

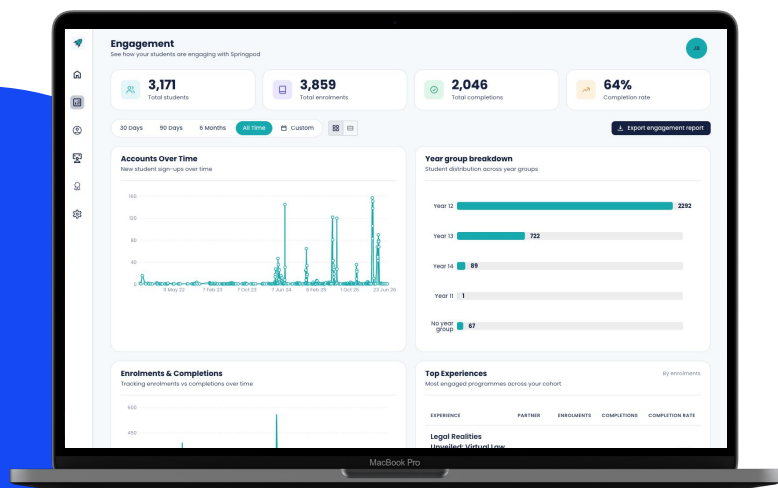

Step 4

Invite your students – Upload a CSV from the template or add manually.

Step 5

Track your student engagement and download a detailed engagement report filtered by date. Use the Student Tab to view engagement by student.

Step 6

Download certificates and celebrate success.
