

Quest What does a Quest Assessment look like?

Quest Quest Assessments: English 1 00:17:12

Under the Waves
R M Ballantyne

The spot where the wreck of the Seagull lay was a peaceful bay on the coast of Anglesey. The general look of the land was bleak: there were no trees, and few bushes. Indeed, the spire of a solitary little church on an adjoining hill was the most prominent object in the scene.

But, bleak though the land was, the immediate shore was at least a sight to behold. In one place, perpendicular cliffs descended sheer down into the depths of the water, decorated with an intricate lacework of foam. In a mass of boulders and shattered rocks stretched as if in defiance of the water. Elsewhere still, a yellow sand received the sun's rays and glistened with a kiss.

As I have said, the sea was calm. The air was clear, but a have not beheld the turn of the tide. The air was

What can we deduce 'the Seagull' is?

A a boat
B a church
C a bay
D a bird

Non-Adaptive Tests

- 1 Timer**
Your child will see how much time is left in the test in the top right of their screen.
- 2 Multiple-choice questions**
Most questions are multiple-choice. Your child will need to click on the answer(s) they think are correct. The answer option(s) turn green when selected.
- 3 Next button**
Your child will need to click the 'Next' button when they are ready to move on to the next question.
- 4 Non-adaptive tests: 'Back' button**
In non-adaptive tests, all children see the same questions in the same order. Your child will see a 'Back' button for these tests indicating that they can go back to previous questions if they would like to check their answers.
- 5 Scroll down**
For English comprehension questions, your child will see a label indicating they need to scroll down to read the full text.
- 6 Question selector**
In non-adaptive tests, your child will see which question number they are on at the bottom of their screen. They can click on the arrow to skip forward or go back to a specific question number.
