

Mark Cuban Cost Plus Drug Company

Get straightforward pricing on your prescriptions

Filling your prescriptions can be expensive. And getting the medicines you need, when and where you need them, isn't always easy.

Blue Cross and Blue Shield of Texas offers members visibility to low-cost drugs. One of the options you'll find is Mark Cuban Cost Plus Drug Company (Cost Plus Drugs). Your health plan offers this as part of your pharmacy benefits.

How you benefit

- **Lower drug prices:** Cost Plus Drugs offers hundreds of commonly used drugs, and more are added all the time.
- **Clear cost information:** You'll see how much you are paying for each drug to compare prices.
- **Works with insurance:** Members will see the Cost Plus Drugs price and their price using insurance. They can choose between the two options.
- **Ease of access:** Cost Plus Drugs allows you to sign up, order and ship your prescriptions from the comfort of home.
- **Support from experts:** Pharmacists are available 24/7 to answer your questions.
