- **Year:** Ongoing release
- **Bourbon Name:** W.L. Weller Special Reserve
- **Mash Bill:** Wheated bourbon mash bill (corn, wheat, malted barley)
- **Proof:** 90
- **Age Statement:** 4-7 years
- **Specific Terms:** Kentucky Straight Bourbon Whiskey, Wheated Bourbon
- **Distillery:** Buffalo Trace Distillery
- **Tasting Notes:**
 - **Aroma:** Soft aromas of honey, caramel, and vanilla with light floral notes and gentle oak.
 - **Palate:** Smooth and approachable, featuring flavors of toffee, vanilla, sweet corn, and subtle baking spice from the wheat-forward mash bill.
 - **Finish:** Medium-length and mellow, with lingering sweetness, light oak, and a touch of vanilla cream.
- **Description:** W.L. Weller Special Reserve is the foundational expression of the Weller line, highlighting the soft, rounded character that defines wheated bourbon. By replacing rye with wheat in the mash bill, this bourbon delivers a smoother, sweeter profile with restrained spice and balanced oak influence. Produced at the acclaimed Buffalo Trace Distillery, Special Reserve is widely regarded as an accessible entry point into the Weller portfolio and a staple for both new bourbon drinkers and seasoned collectors alike.
