- **Description:** W.L. Weller Antique 107 is a standout wheated bourbon from Buffalo Trace, renowned for its rich, full-bodied character and approachable intensity at 107 proof. Praised for its consistency and complexity, it has become a favorite among collectors and enthusiasts alike, often sought after in secondary markets. Its wheated mashbill delivers a softer, sweeter profile than traditional rye-forward bourbons, while its rarity and historical legacy—rooted in the Weller name, one of Kentucky’s most respected bourbon families—make it a true icon of American craft whiskey. Perfect for sipping neat or in elevated cocktails, it showcases the balance of age, proof, and wheat in every bottle.
